

24th European Conference on Artificial Intelligence
June 8th-12th 2020
Santiago de Compostela, Spain [www.ecai2020.eu]

CALL FOR WORKSHOPS

The ECAI 2020 Organizing Committee invites proposals for workshops to be held in conjunction with the conference. There is no restriction regarding the topics if there is a clear relevance to ECAI. The 2020 edition of ECAI is looking to increase the number of workshops and their diversity. In this regard, we welcome workshop proposals related to any of the ECAI2020 topics, as well as in multidisciplinary topics between AI and other areas, or applications of AI in other fields.

Most workshops will follow the classical format of presentations of peer-reviewed papers followed by discussion, but other formats (e.g., AI competitions) and entirely new ideas are also welcome. Whatever the format, all workshops should be interactive events and ample time should be allocated to discussion. The typical duration for a workshop is one full day, but two-day or half-day workshops can also be accommodated.

If you are considering proposing a workshop or if you have any question, please do not hesitate to get in touch with ECAI2020 Workshops Chairs:

- Amparo Alonso-Betanzos (Univ. da Coruña)
- Magdalena Ortiz (TU Wien)

Further Information for Workshop Organizers

Proceedings:

It is up to the workshop organizers to decide if they provide proceedings or not. ECAI2020 will not issue workshop proceedings. Although the reviewing process is up to the workshop organizers, paper notification should be sent not later than 8th April.

Registration

All workshop participants and organizers are required to register for the workshop. Each workshop will be given 1 workshop-fee waiver to be used at the discretion of the organizers. Reduced registration for both workshop and main conference will be available.

Cancellations

Please understand that we may have to cancel a workshop if not enough participants register or if deadlines are not met. We are aiming for a minimum of 10 participants registered by the early registration deadline.

Submission details

Proposals for Workshops must be submitted by the deadline as a pdf-file via the ECAI2020 [Workshops EasyChair](#):

<https://easychair.org/conferences/?conf=workshopecai2020>

Each workshop proposal must include:

- Title and acronym.
- Names, affiliations, and contact details of all organizers (please indicate a primary contact person to whom correspondence should be directed).
- One paragraph about each organizer (scientific profile, previous events you have organized, ...).
- Short description of the Workshop, containing a brief introduction and list of relevant topic areas, workshop intended format and duration (half-day until two-days). Please indicate if you intend to have any activities other than contributed papers, such as invited talks, panels, posters, ...
- Audience: research groups working in the field, tentative list of potentially interested participants, expected number of submissions.
- Previous editions of the workshop if applicable; related workshops in other venues
- Any further information you deem to be relevant.
